

Himmel und Hölle

(die EU-Version)

The right side of the image features a large, colorful game board divided into four quadrants by a red vertical and blue horizontal axis. The quadrants are color-coded: top-left (blue), top-right (pink), bottom-left (orange), and bottom-right (yellow). Each quadrant contains a 'Frage' (Question) in the top corner and an 'Antwort' (Answer) in the bottom corner. The central area of the board has a gradient from orange at the bottom to blue at the top, with the text 'ZEPPI & BOB' written diagonally across it. In the top-left quadrant, there is a cartoon illustration of a small orange spider-like creature with many legs and large eyes. In the bottom-right quadrant, there is a large, blue, spiky monster head with one visible eye and a mouth full of sharp teeth. A circular logo for 'ZDB' (Zentrum für Didaktik der Biologie) is located in the top-right corner of the pink quadrant.
